Financial Claims Scheme (FCS)

The repayment of deposit funds and interest is not guaranteed. This means that you could lose some or all of your investment, particularly if Macquarie becomes insolvent. If this occurs, you may be entitled to payment under the Financial Claims Scheme (subject to applicable limits).

The Financial Claims Scheme (FCS) is an Australian Government scheme that provides protection and quick access to deposits in banks, building societies and credit unions in the unlikely event that one of these financial institutions fails. Under the FCS, certain deposits are protected up to a limit of \$250,000 for each account holder at any bank, building society, credit union or other authorised deposit-taking institution (ADI) that is incorporated in Australia and authorised by the Australian Prudential Regulation Authority (APRA).

The FCS can only come into effect if it is activated by the Australian Government when an institution fails. Once activated, the FCS will be administered by the Australian Prudential Regulation Authority (APRA). In an FCS scenario, APRA would aim to pay the majority of customers their protected deposits under the Scheme within seven calendar days.

Information on the FCS is available on the FCS website www.fcs.gov.au.

Access to and sharing of your data

We may at your or your Financial Services Professional's request:

- provide your Financial Services Professional and other people working in or for their organisation (Associates) with access to your Cash Account data, including your account details, balance, transaction history and personal information (Data), and
- share an electronic copy of your Data with third party service providers used by you, or your Financial Services Professional in support of their operations, including accountants, consultants, or technology platform owner/operators or others (Third Parties).

Some of these people may be situated outside of Australia.

It is important that you understand that we have no direct control over, nor responsibility for, how your Financial Services Professional, their Associates or Third Parties will use, disclose or protect your Data. If you have questions about this, we recommend that you speak with your Financial Services Professional.

We may suspend or terminate any access to or sharing of your Data we directly provide to a person for any reasonable cause without notice, but your historical Data may continue to be accessed by your Financial Services Professional and their Associates after closure. If you would like us to stop any direct access to Data we provide to your Financial Services Professional or their Associates, or stop sharing your Data with any Third Parties to whom we share it directly, contact us on 1800 806 310.

Protecting your money

We are committed to providing a safe and secure environment to protect your personal information and privacy.

When conducting your online banking with us, we provide you with peace of mind knowing that we will protect you against losses for unauthorised fraudulent transactions where you have not contributed to the loss. Macquarie works closely with law enforcement agencies to ensure fraud matters are handled with proper care and due diligence.

However it is very important that you also take steps to protect your personal information and money. Our Security and Fraud statement available online at [macquarie.com.au/security-and-fraud](https://www.macquarie.com.au/security-and-fraud) provides information on the common types of fraud and steps you can take to help protect yourself against fraud and unauthorised transactions.

Authorising a third party to access your Cash Account

Please consider carefully who you appoint with authority on your Cash Account, and the level of their authority, as we may follow their instructions as if they were yours. You will be liable for their transaction requests, including if they result in financial loss. It's important that you understand this risk and the level of access you give to them.

Refer to the Terms and Conditions, including section 7.

Keep your Cash Account details and cheques secure

! Please be careful! There is a risk that fraudulent electronic withdrawal requests can be made by someone who has access to your Cash Account number, your signature or your Login Details. From time to time we may verify these requests with you and reserve the right to deny the request.

To protect your Secret Codes you and your Authorised Users should comply with the Security Guidelines set out in clause 11.6 to 11.10 of the Terms and Conditions.

Keep your cheques secure – treat your cheque book like cash.

Don't pre-sign cheques or leave any gaps in the completion of the payee name, amount in words or in figures. Endorse cheques "not negotiable" where possible.

Equipment security

You and your Authorised Users must take all reasonable steps to protect the security of your respective computer hardware and software, and Mobile Devices. "Reasonable steps" are detailed in clause 11.1 of the Terms and Conditions.

Authentication

In addition to taking the "reasonable steps" set out in section 11 (Security) of the Terms and Conditions, we recommend you consider adopting two-factor authentication, often referred to as "2FA". It is an authentication process which gives you an extra layer of protection on your online accounts. When logging in or processing some transactions, you'll be asked to verify your identity through another mechanism such as the requirement to input an SMS Code or a push notification to your Mobile Device. Macquarie has launched Macquarie Authenticator, which can be

downloaded to your Mobile Device and utilises push notifications to verify you and your transactions. You can use a PIN code, biometric such as facial or fingerprint recognition (if supported by your mobile device) or a rolling code that can be used whilst travelling overseas where you may not have phone service to receive an SMS.

Macquarie Authenticator

Macquarie Authenticator is an app to help you seamlessly and securely verify transactions using actionable push notifications.

It is faster and easier to use than SMS, and it works more seamlessly when you're travelling overseas as it's connected to your device, not your phone number.

Download the Macquarie Authenticator app from the Google Play Store or the App Store.

Comply with enhanced security measures

For certain activities on your Cash Account, you or an Authorised User may be asked to comply with our enhanced security measures which provide an additional layer of security to protect you and us from unauthorised transactions and fraud. Refer to section 11 of the Terms and Conditions for more information.

If they occur, you can be liable for unauthorised transactions in certain circumstances

Please check the transactions on your Cash Account carefully. If you suspect any error or unauthorised transaction please promptly notify us.

Maintaining the security of your Cash Account access including Secret Code, cheque book and equipment you use to access your Cash Account, and informing us as soon as security has been compromised, is very important because if there are unauthorised transactions on your Cash Account, in some circumstances you can be liable, including where:

- you have not taken reasonable steps to maintain security of your computer hardware or software, or Mobile Device
- you breach the Security Guidelines in clause 11.6 to 11.10 of the Terms and Conditions
- you have contributed to the loss through fraud
- there's been extreme carelessness in failing to protect the security of Secret Codes, or
- you unreasonably delay notifying us after becoming aware of the loss, theft or unauthorised use of your cheque book, or a breach of the security of your Secret Code or Mobile Device.

Your liability will be determined under section 12 and 13 of the Terms and Conditions and any applicable codes of practice to which we subscribe.

! Contact us immediately on 13 31 74 if:

- you find an unauthorised transaction
- you suspect that someone has gained access to your Secret Code or is using your Secret Code without your authorisation
- your Secret Code, computer or Mobile Device becomes lost or stolen, or
- your cheque book is lost or stolen or you suspect an unauthorised cheque transaction.

What is the effect of crossing a cheque?

Crossing a cheque means drawing two parallel lines across the face of the cheque. When you cross a cheque, you are telling the bank that the cheque must be paid into an account with a financial institution and not cashed.

What is the meaning of "not negotiable"?

The words "not negotiable" between two parallel lines across the face of a cheque protects the true owner of a lost or stolen cheque. The effect is that, where the cheque is transferred, the person who ultimately obtained the cheque has no greater rights than the person who transferred it. For example, if your cheque has been stolen and passed by a thief to an innocent person, you will be able to recover the amount paid on your cheque from the innocent person (or the thief if they are found) – this is because the thief has no rights to the cheque and therefore has passed no rights to the innocent person.

What is the meaning of “account payee only”?

These words on a cheque are a warning to a financial institution with which the cheque is deposited that the cheque should be paid only to the person named in the cheque as payee.

What is the significance of deleting “or bearer”?

The words “or bearer” mean that (except in the case where the cheque is crossed and must be collected by a financial institution) the financial institution on which the cheque is drawn has authority to pay it to any person in possession of it (even if that person found it or bought it) unless the financial institution has reason to suspect that the cheque might have fallen into the wrong hands. If you delete these words, the cheque becomes an “order” cheque.

If a cheque is an “order” cheque then (except in cases where the cheque is crossed and must therefore be collected by a financial institution) the financial institution on which the cheque is drawn should only pay it:

- a. to the named payee, or
- b. to any other person to whom the named payee, by endorsing the cheque on the reverse side, has ordered it to be paid.

When you fill out a cheque you need to do so carefully so it can't be subsequently altered easily by someone else.

Refer to the *Lodgement and processing times* section for details.

Bank cheques

To organise a bank cheque from your Cash Account payable to another party you can contact us or complete the *Withdrawal* form available online.

Cash Account closure

You can ask us to close your Cash Account at any time by contacting us (conditions apply) or sending us a request in writing.

If you close your Macquarie Investment Consolidator II or Macquarie Investment Manager II account, you can generally elect to retain the Cash Account. You may elect to do so in your account closure instructions to us. The Cash Account will be converted to a Macquarie Cash Management Account (CMA) and the applicable interest rate will apply from this time.

Please refer to the *How do I withdraw?* section of the IDPS Guide for your Macquarie Investment Consolidator II or Macquarie Investment Manager II account for more information.

We may close your Cash Account in certain circumstances, please refer to section 22 of the Terms and Conditions for more information.

If we close your Cash Account, we will pay you the remaining balance of your Cash Account along with any accrued interest payable to you after all transactions and fees and charges have been debited to your Cash Account.

If your Cash Account is closed, you will be liable for any transactions that were not processed, or that occur after the Cash Account is closed. You are also liable for any unpaid fees or other costs associated with your Cash Account.

If your Cash Account is closed, make sure you notify anyone who either directly debits or credits your Cash Account.

- 10.15 Notwithstanding the above provisions, if you are a recipient of income support payments from Centrelink, we will only seek to recover the funds from you in accordance with the Code of Operation for Centrelink Direct Credit Payments.

Mistaken BPAY payments

- 10.16 Care should be taken by you and Authorised Users to enter the correct amount and Biller's details. If the amount entered is greater than intended, you or the Authorised User must contact the Biller to obtain a refund. If less, another BPAY payment can be made to make up the difference.
- 10.17 If you or an Authorised User told us to pay the wrong Biller we will re-credit your Cash Account and will seek to recover that amount from the Biller. However, if we cannot recover the amount within 20 Business Days, we will debit your account for that amount. You acknowledge that the receipt by a Biller of a mistaken or erroneous payment does not, or will not constitute under any circumstances, part or whole satisfaction of any underlying debt owed between you and the Biller.
- 10.18 You should check your Cash Account carefully and promptly report to us any BPAY payments you think are errors or that were not authorised by you or an Authorised User. The longer the delay in notifying us of the error, the more difficult it may be to correct this.
- You may need to liaise directly with the Biller to correct the error if, for example, because of delay, we no longer have sufficient information to investigate it.
- 10.19 For us to investigate a BPAY payment from your Cash Account that may be unauthorised, you or an Authorised User must first give us your consent, addressed to the Biller who received that BPAY payment, authorising us to

obtain information about your account with that Biller, or the BPAY payment. You will need to include your CRN and any other information we require. If you do not give us the consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY payment.

- 10.20 If we make a BPAY payment to a person or for an amount not instructed by you or an Authorised User, and your Cash Account was debited with the payment, we will credit that amount back to your Cash Account.
- 10.21 Disputes in relation to unauthorised, fraudulent or wrong BPAY payments will be handled in accordance with the Macquarie Complaints Policy. Your liability for unauthorised and fraudulent BPAY payments will be determined in accordance with section 12 of these Terms and Conditions. No chargeback rights are available in respect of a BPAY payment from your Cash Account.
- 10.22 Subject to law and to section 12 of these Terms and Conditions:
- we are not liable for any consequential loss or damage you may suffer as a result of using the BPAY Scheme, other than:
 - due to any loss or damage you suffer due to our negligence, or
 - in relation to any breach of a condition or warranty implied by law under consumer protection legislation which may not be excluded, restricted or modified at all or only to a limited extent, and
 - You indemnify us against any loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you or an Authorised User did not observe any of the obligations under the *Electronic Banking Terms and Conditions* in relation to BPAY payments or acted negligently or fraudulently in connection with their use of, the BPAY Scheme.

Fraud-induced BPAY payments

- 10.23 You must tell us promptly if you think that you have been fraudulently induced to make a BPAY payment. We will attempt to rectify any such matters in relation to your BPAY payments in the way described in this clause.
- 10.24 If a BPAY payment is induced by the fraud of a biller or person involved in the BPAY scheme, then that biller or person should refund you the amount of the fraud-induced payment. However, while we would assist you to pursue a refund, if that person does not refund you the amount of the fraud-induced payment, you must bear the loss unless some other person involved in the BPAY scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced payment that is not refunded to you by the person that induced the fraud. You must exercise care about the biller you deal with, the security of your Login Details and the accuracy of your instructions to us.

11. Security

Equipment security

- 11.1 You and your Authorised Users must take all reasonable steps to protect the security of your respective computer hardware and software, and Mobile Device. Reasonable steps include:
- for computer hardware and software: protecting your computer from viruses and maintaining passwords
 - for Mobile Devices: setting screen lock passwords and ensuring that others do not have access to the use of your Mobile Device (including by ensuring, if you have enabled the ability to access Mobile Banking using a fingerprint stored on your Mobile Device, that your fingerprint is the only fingerprint stored on your Mobile Device)
- 11.2 You and your Authorised Users should log out from Online Banking and Mobile Banking at the end of each session.
- 11.3 You acknowledge that, for security purposes, we reserve the right at any time to log you and any Authorised Users out of Online Banking and Mobile Banking, for example if you or the Authorised Users are inactive for a period of time after having logged on.
- 11.4 Where you or an Authorised User remove some system level restrictions on a Mobile Device by, for example, 'jailbreaking' or 'rooting' the Mobile Device, you indemnify us for any loss arising from fraudulent activity carried out on the Mobile Device, including in respect of your Cash Account.
- 11.5 It is important that, if you wish to use a fingerprint stored on your Mobile Device to log in to Mobile Banking, no fingerprints other than your own are stored on your Mobile Device. If someone else's fingerprint is stored on your Mobile Device, that person may be able to view your Cash Account(s) and perform transactions in Mobile Banking. We will treat as authorised, and you will be responsible for, any Mobile Banking transactions performed using a fingerprint or other biometric authentication stored on your Mobile Device.

Security guidelines

- 11.6 The security of your and your Authorised User's Secret Codes is very important, as whoever has access to them may be able to perform transactions on your Cash Account. These guidelines are designed to help you keep your and your Authorised User's Secret Codes secure.
- 11.7 By following these guidelines, you and your Authorised Users can assist in preventing unauthorised transactions on your Cash Account.
- 11.8 These guidelines do not determine your liability for unauthorised transactions. Your liability will be determined under section 12 and any applicable codes of practice to which we subscribe.
- 11.9 To protect your Secret Codes you and your Authorised Users should:
- not disclose any Secret Code to anyone, including a family member or friend

- take care to prevent anyone seeing a Secret Code entered into a computer, Mobile Device or telephone
 - try to commit all Secret Codes to memory and not record them by any means (including by storing them on a computer or Mobile Device, or any article that could be accessed or stolen along with a computer or Mobile Device) without making a reasonable attempt to disguise them
 - not choose a Secret Code which can be easily guessed including, for example, a Secret Code that uses repeated characters, consecutive numbers, or a Secret Code that represents a recognisable part of your or their name, birth date, telephone number or driver's licence number, and
 - change all Secret Codes at regular intervals.
- 11.10 The following are not reasonable attempts at disguising a Secret Code:
- recording it in reverse order, as a telephone number or as a date (including a birth date) or as an amount, or
 - recording the Secret Code in any other way that can be easily identified.

Reporting loss, theft or misuse of Secret Codes and devices

- 11.11 You or an Authorised User must immediately notify us if it is suspected that the security of a Secret Code or Mobile Device, has been breached. You or an Authorised User must also promptly notify us of any unauthorised transactions on your account.
- 11.12 If we are unable to be contacted by phone because our lines are unavailable, you will not be liable for unauthorised transactions which could have been prevented had we been contactable, provided we are told within a reasonable time after our telephone facilities become available again.

Enhanced security measures

- 11.13 For certain activities on your Cash Account, you or an Authorised User may be asked to comply with our enhanced security measures. Such circumstances may include when you or the Authorised User make a funds transfer to a new recipient, or make a BPAY payment to a new Biller, or sign into Mobile Banking using a fingerprint stored on your Mobile Device.
- 11.14 Our enhanced security measures provide an additional layer of security to protect you and us from unauthorised transactions and fraud. The measures may change from time to time at our discretion and include any appropriate method of authentication, or contacting you to verify the transaction or activity on your Cash Account.
- 11.15 Two-factor authentication, often referred to as "2FA", is an authentication process which uses two different layers of security to verify your identity. For instance, for Online Banking the first layer of authentication relates to your Login Details and a second layer of authentication is imposed when you or the Authorised User initiate certain transactions or perform certain activities on your Cash Account. This additional layer of security may include, but is not limited to, the requirement to input an SMS Code, or answer security questions.

- 11.16 You or an Authorised User will be instructed to contact us to complete a transaction or other Cash Account activity if any enhanced security measure is not successfully satisfied.

! Please contact us 24 hours a day, 7 days a week, by calling us on 13 31 74.

12. Liability for unauthorised transactions – Electronic Banking

When you are not liable

- 12.1 You are not liable for loss arising from an unauthorised transaction that occurs:
- due to the fraudulent or negligent conduct of our employees or agents
 - due to the fraudulent or negligent conduct of any companies involved in the electronic transaction system or merchants in the system, or their employees or agents
 - because an Access Method is forged, faulty, expired or cancelled
 - before you or an Authorised User received a Secret Code and where the Secret Code was required to perform the unauthorised transaction
 - due to the same transaction being incorrectly debited or credited more than once to the same Cash Account
 - after we have been informed that the security of a Secret Code has been breached
 - through the use of your or an Authorised User's Macquarie ID without the use of a Secret Code, or
 - where it is clear that you or an Authorised User did not contribute to the loss.

When you are liable

- 12.2 You will be liable for actual losses arising from unauthorised transactions that occurred before we are notified of the breach of security in relation to a Secret Code, where we can prove on the balance of probabilities that you contributed to the loss:
- through fraud
 - by acting with extreme carelessness in failing to protect the security of a Secret Code
 - by unreasonably delaying reporting a breach of security in relation to a Secret Code (although you will only be liable for the actual losses that occur after you or an Authorised User become aware, or should reasonably have become aware, of the breach of security), or
 - where the security guidelines set out in section 11 are breached.
- 12.3 You will not, however, be liable for:
- that portion of the loss on any one day, or in any period, that exceeds the applicable daily, or periodic, transaction limit of your Cash Account
 - that portion of the loss which exceeds the balance of your Cash Account, or

- losses on any Cash Account which we agree cannot be accessed through the use of any Access Methods.

Where your liability is limited

- 12.4 Where a Secret Code is required to perform a transaction and we do not establish that you have, or an Authorised User has, contributed to the loss in the ways set out above, your liability for loss arising from an unauthorised transaction in respect of the Cash Account that occurs before the breach of security in respect of your or an Authorised User's Secret Code is reported to us is the lesser of:
- \$150
 - the balance of your Cash Account or
 - the actual loss at the time that we are notified of the breach of security in respect of the Secret Code (except any portion of the loss that may exceed any applicable transaction limits).

System or equipment malfunction

- 12.5 Notwithstanding any of the above provisions in section 12, you are not liable for loss caused by the failure of any system or equipment to complete a transaction, which is accepted by that system or equipment. However, to the extent that you or an Authorised User should reasonably have been aware that any system or equipment was unavailable or malfunctioning, our liability is limited to correcting errors in your Cash Account and refunding any fees or charges that you have incurred as a result.

Account aggregation services

- 12.6 Some companies provide account aggregation services that allow you to view account information from different institutions on the one webpage, or download your account statements. These companies usually require you to give them your Secret Code(s). We do not endorse, promote, or authorise the use of account aggregation services in connection with your Cash Account(s). If you disclose any Secret Code(s) to another person, you will be liable for any transactions on your Cash Account(s) made by that person using that Secret Code(s). Refer to section 11 (Security) for more information.

13. Liability for unauthorised transactions – cheques

- 13.1 An unauthorised cheque transaction is a transaction not authorised by you or your authorised third party, or is executed without your knowledge or consent. You will not be liable for any unauthorised cheque transaction where:
- there was fraudulent or negligent conduct by us
 - a forged, faulty, expired or cancelled cheque book was used, or
 - it is clear you have not contributed to the loss resulting from the unauthorised transaction.

- 13.2 You will be liable for losses resulting from unauthorised cheque transactions where we can prove that you contributed to the loss by:
- acting fraudulently
 - not keeping your cheque book secure, or
 - unreasonably delaying notifying us after becoming aware of the loss, theft or unauthorised use of your cheque book.

14. Direct Debit Request Service Agreement

- 14.1 By completing a *Direct Debit Request* form, you authorise and request us to debit funds from the account you nominate, in accordance with the following terms:
- the account held by your nominated financial institution must be in the same name or names as your account
 - where the due date for a debit does not fall on a Business Day, your nominated financial institution may vary the timing of the debit. If you are uncertain as to when a debit will be processed, you should ask that financial institution
 - you must allow two Business Days for funds deposited through the Direct Debit service to be cleared
 - third parties authorised to transact on your account cannot set up a Direct Debit on your behalf, but are allowed to reduce or cancel the existing regular Direct Debit on behalf of you
 - you must notify us immediately if you know or suspect any unauthorised transactions have occurred in relation to your Direct Debits. You should also notify your other financial institution as soon as possible
 - you must notify us immediately, and confirm that notice as soon as is possible, if you believe that there has been an error in debiting your account. If we conclude as a result of our investigations that your account has been incorrectly debited, we will respond to your query by adjusting your account accordingly. We will also notify you of the amount by which your account has been adjusted. If we conclude as a result of our investigations that your account has been correctly debited we will respond to your query by providing reasons and evidence of this finding
 - you must ensure that there are sufficient cleared funds in your nominated account(s) to honour your Direct Debit Request
 - you must ensure that the authorisation given to debit your nominated account is identical to the account signing instructions held by the financial institution where your nominated account is held
 - your nominated financial institution(s) may decide the order of priority of payment by it of any monies
 - your nominated financial institution(s) may at any time by notice terminate this request by notifying you or us in writing
 - we may, by 14 days prior notice in writing to you, vary the timing of future debits, or any of the terms of section 14

- you can modify or defer your use of the Direct Debit service at any time by contacting us. Your request will normally be processed within seven days
- you can stop a particular debit or cancel your Direct Debit at any time by contacting us with seven days notice. You can also contact your nominated financial institution
- when your account is closed, all regular deposits under the Direct Debit service will cease
- we may, in our reasonable discretion, stop a direct debit arrangement at any time. If we do this we may attempt to notify you
- you acknowledge that we may be required to reveal details of your Direct Debit Request to our service providers to assist with the checking of any incorrect or wrongful debits to your nominated account. In all other circumstances, we will keep all information relating to your Direct Debit arrangements private and confidential unless otherwise required by law
- you authorise the external financial institution(s) nominated on the *Direct Debit Request* form to confirm the BSB, account number and account name to us if required
- direct debit requests through the Bulk Electronic Clearing System (BECS) are not available on all accounts. You should check your account details against a recent statement. If you are uncertain about these matters, you should contact your nominated financial institution, and
- the provider of your nominated bank account may charge you fees if your Direct Debit request dishonours.

15. Suspension and termination

- 15.1 We may suspend, freeze or block the operation of your Cash Account at any time in our reasonable discretion. Examples of where this may occur include the following:
- if you, an Authorised User or any third party authorised to access your Cash Account breach any of the Terms and Conditions or *Electronic Banking Terms and Conditions*
 - if we reasonably consider that you or any third party authorised by you acts fraudulently or is in breach of any law
 - if we reasonably believe that your Cash Account is being used in a way that may cause loss to you or us
 - if we believe that it is necessary to do so to comply with the law or applicable code.
- 15.2 Where possible, we will give you reasonable notice of suspension or termination of your Cash Account, however this may not be possible in all the circumstances.

16. Anti-Money Laundering

- 16.1 You must not knowingly do anything to put us in breach of the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006*, rules and other subordinate instruments (AML/CTF Laws).
- You will notify us if you are aware of anything that would put us in breach of AML/CTF Laws.
- 16.2 If requested you must provide additional information and assistance and comply with all reasonable requests to facilitate our compliance with AML/CTF Laws, an equivalent law in an overseas jurisdiction, and/or its internal policies and procedures.
- 16.3 You undertake that you are not aware and have no reason to suspect that:
- any deposit to the Cash Account is derived from or related to money laundering, terrorism financing or similar activities (Illegal Activities), or
 - proceeds of Withdrawals from the Cash Account will fund Illegal Activities.
- 16.4 You acknowledge that we are subject to AML/CTF Laws and/or its internal policies and procedures.
- 16.5 In certain circumstances we may be obliged to suspend, freeze or block an account where it is used in connection with Illegal Activities or suspected Illegal Activities. Freezing or blocking can arise as a result of the account monitoring that is required by AML/CTF Laws and/or its internal policies and procedures. If we freeze or block your Cash Account because we believe on a reasonable basis that we are required to do so in order to comply with AML/CTF Laws and/or our internal policies and procedures, we are not liable to you for any consequences or losses whatsoever including where we are found liable to a third party in connection with the freezing or blocking of your Cash Account.

17. Combining your accounts

- 17.1 We may, at any time combine the balances of two or more of your accounts held with Macquarie. For example, we may do this if one of your accounts is overdrawn or in debit and the other is in credit. However, we will not do this if for example, where:
- we know the accounts are not held by you in the same capacity (for example, where you have personal account and also an account as trustee for someone else)
 - we have agreed to keep your accounts separate, or
 - we are bound by a code of conduct not to do so (such as the Code of Operation for Centrelink Direct Credit Payments).
- 17.2 We will inform you if we have combined any of your accounts. You should not treat your accounts as combined unless we have agreed to such an arrangement. In the event that your accounts are combined, we may continue to apply separate interest rates to percentages of the combined balance in accordance with previous arrangements.

- 17.3 We may close any or all of your accounts as if the combined accounts had at all times been a single account.

18. Changes to your Cash Account

- 18.1 You promise that all particulars given to us are accurate and complete.
- 18.2 You agree to promptly notify us of any change in:
- your name, address, mobile number or email address
 - the authority of any third party,
 - your tax residency information including whether you become or cease to be a foreign tax resident, or
 - the contents of any application form or any other documents you provide us.
- 18.3 We will not be responsible for any errors or losses associated with changes to your Cash Account where we have received no or inadequate prior notice.

19. Notices and Mobile Banking notifications

- 19.1 You agree that subject to the requirements of BCOP or any law with which we must comply, and unless we agree otherwise at your request, we may give all notices and other communications in connection with these Terms and Conditions electronically:
- by emailing them to the most recent email address we have been advised of or sending them through SMS to the most recent mobile phone number we have been advised of, or
 - by making them available on Macquarie's website or through Online Banking.

20. Taxation¹¹

- 20.1 The application of taxation laws depends on a client's individual circumstances. Accordingly, you should seek independent professional advice on taxation implications before making any decisions about a financial product or class of products.
- 20.2 Your Tax File Number (TFN) is collected in accordance with the *Income Tax Assessment Act 1936* and the *Taxation Administration Act 1953*. Provision of a TFN or Australian Business Number (ABN) is not compulsory, however, if you do not quote your TFN (including both TFNs for joint accounts) or ABN or claim an exemption, tax may be withheld from the interest paid to you at the highest marginal tax rate plus the Medicare Levy. Declining to quote a TFN is not an offence.
- 20.3 You may quote your entity's ABN as an alternative to its TFN if you are opening the Cash Account for purposes related to that entity's business. An Australian Company Number (ACN) cannot be quoted in lieu of a TFN/ABN. If only an ACN is provided tax may be withheld at the top marginal rate (plus Medicare Levy).

¹¹ Macquarie Bank Limited does not give, nor purport to give, any taxation advice. The application of taxation laws depends on a client's individual circumstances. Accordingly, you should seek independent professional advice on taxation implications before making any decisions about a financial product or class of products.

- 20.4 You do not have to provide us with your TFN, and declining to do so is not an offence. If you do not quote your TFN (including all TFNs for joint accounts), ABN, or claim an exemption, tax may be withheld from the interest paid to you at the highest marginal tax rate (plus Medicare Levy).
- 20.5 For more information about the use of tax file numbers, please contact the ATO.
- 20.6 If you are a non-resident of Australia for taxation purposes, you must provide us with your overseas residential address. Tax may be withheld on the interest you earn on your Cash Account whilst you are a non-resident.

21. Costs and expenses

- 21.1 You agree to pay us all reasonable costs and expenses incurred by us in connection with:
- the exercise and preservation of our rights under these Terms and Conditions, and
 - any legal proceedings or disputes between you and a third party where we become involved in such proceedings or disputes.

These costs and expenses are payable on demand or when we debit the Cash Account for them.

22. Your rights and our rights

- 22.1 To the extent allowed by law, you give up any right to set off any amounts we owe you against amounts you owe us.
- 22.2 If any provision of these terms becomes illegal, invalid or unenforceable in any jurisdiction, this will not affect:
- the validity or enforceability in that jurisdiction of any other provision of these terms, or
 - the validity or enforceability in other jurisdictions of that or any other provision of these terms.
- 22.3 We may close your Cash Account if:
- we reasonably believe that you have:
 - acted fraudulently
 - unlawfully misused your Cash Account
 - acted in a way that could damage the reputation of the Macquarie Group
 - otherwise breached these Terms and Conditions, or
 - if you have not made any transactions on your Cash Account in the last 12 months
 - the balance of your Cash Account becomes subject to unclaimed monies requirements, or
 - for any other reason we reasonably consider appropriate.

- 22.4 Your Cash Account will automatically be closed when you close your Macquarie Investment Consolidator II or Macquarie Investment Manager II account, but we may be able to convert your Cash Account to a Macquarie Cash Management Account open upon request.
- 22.5 You acknowledge that we retain the right not to provide products or services to anyone that we decide, in our sole discretion, that we do not wish to provide them to.

23. Law and jurisdiction

- 23.1 These terms shall be governed in accordance with the laws of New South Wales.

If you are not a resident of Australia:

- you submit to the non-exclusive jurisdiction of the courts exercising jurisdiction in the state of New South Wales and any other court of any other jurisdiction notified to you by us for this purpose
- you agree, on request by us, to appoint an agent for service of process in Australia, and
- you consent to the service of process from any courts in Australia by mailing this to you at your address given in the application form or to any appointed process agent.

24. General

- 24.1 We may assign or otherwise deal with our rights under these terms in any way we consider appropriate provided that we act reasonably.
- 24.2 If anything under these terms is required to be done on a day that is not a Business Day, Macquarie will, at its discretion, process these on the last preceding Business Day or the following Business Day.

25. Trustee representations, warranties and undertakings

- 25.1 This clause applies if you are trustee of a trust (the trust named in the application form being referred to as the Trust). You, both as trustee of the Trust and in your own right, make the following representations and warranties:
- the relevant trust instrument is valid and complies with all applicable laws
 - you are properly appointed as trustee of the Trust, and
 - you comply with the terms of the Trust and your duties and powers.
- 25.2 Where you incur any obligation in any way relating to any asset which you hold as trustee, you incur that obligation both in your own right and in your capacity as trustee.

26. Foreign tax residency information – FATCA and CRS

- 26.1 You must not knowingly do anything to put Macquarie in breach of:
- a. sections 1471 to 1474 of the US Internal Revenue Code of 1986 (commonly known as FATCA), any associated regulations or official guidance, any agreement with the US Internal Revenue Service relating to FATCA or any Australian laws, regulations or official guidance relating to an intergovernmental agreement between the United States and Australia in connection with FATCA (FATCA Laws) or our internal policies and procedures, or
 - b. our obligations in relation to Common Reporting Standard under the *Taxation Administration Act 1953* (Cth) (commonly known as CRS), any associated regulations or official guidance, the OECD Multilateral Competent Authority Agreement on Automatic Exchange of Cash Account Information or any Australian laws, regulations or official guidance in connection with CRS (CRS Laws) or our internal policies and procedures.
- 26.2 You agree to provide to Macquarie all the information or assistance we may request at any time, (whether as part of the application process or otherwise) to ensure that we are able to comply with our obligations under the FATCA Laws, CRS Laws or our internal policies and procedures.
- 26.3 In making an application, you consent to Macquarie disclosing in connection with the FATCA Laws, CRS Laws or Macquarie's internal policies and procedures any of your Personal Information (as defined in the *Privacy Act 1988* (Cth)).
- 26.4 Macquarie retains the right not to provide products or services to you where we decide, in our sole discretion, that we do not wish to provide, including where information has not been provided as required to comply with FATCA Laws or CRS Laws.

27. Electronic Message Service

- 27.1 The Electronic Message Service (EMS) is a mechanism by which you are able to electronically receive information regarding contributions from your employer to your Self Managed Super Fund (SMSF), as required under superannuation law. By providing our electronic service address to your employer, you are agreeing to be bound by these terms.
- 27.2 A contribution message (Message) is an electronic message sent to us by your employer providing details relating to a contribution payment made to your SMSF. Your employer is responsible for the content and accuracy of the information provided in the Message.
- 27.3 Receiving a Message does not ensure a contribution payment has been made. We recommend checking with the sender of the message to be sure.
- 27.4 The EMS can be provided either by us or a third party service provider until there is a change in the law.
- 27.5 As part of the EMS we will accept Messages and may notify you when these become available by email or online. Relevant details of your contribution payments will be available via Electronic Banking and to any Financial Services Professionals with authority on your Cash Account.
- 27.6 We will reject any Messages that cannot be matched to a Cash Account.
- 27.7 We do not provide and are not responsible for:
- a. reconciling contribution payments to Messages or Messages to trustees of the SMSF, or
 - b. any reporting or consolidation of Messages, or
 - c. removing any Messages which are incorrect, or
 - d. providing or receiving information regarding rollovers.
- In addition to the above, we are not responsible for any errors in the Message which do not allow us to match the Message to your SMSF.
- 27.8 You are responsible for:
- a. complying with all applicable laws relating to your SMSF, and
 - b. contacting the message sender if there are any errors with the information contained in the Message.
- 27.9 By providing our electronic message address to your employer you are providing consent for us to collect, hold, use and disclose any personal information contained in the Message in accordance with our Privacy Policy.
